

# THE WOKINGHAM VOLUNTEER CENTRE

## STRATEGY

### Vision

Our vision is to help make Wokingham Borough a better place to live by improving people's health, well-being and independence. We promise to do this whilst staying true to our values .

### Mission

Our mission is to provide the best service we can to those who need help and support in Wokingham Borough. We will do this by delivering existing services and looking to enhance and expand our services in line with identified needs and our areas of expertise.

### Purpose

Our purpose is to provide support for vulnerable and elderly people within Wokingham Borough through the provision of volunteer led, low cost services to enable them to continue to live in their own homes and to provide volunteer brokerage for residents, voluntary and charitable organisations within the Borough.
